

Adventure Equipment Center (AEC)

The AEC maintains an equipment rental facility and retail shop operations to address the needs of Adventure Sports Students (AVS) of Garrett College, faculty and the general college community. The AEC has a small retail shop that provides outdoor apparel and outdoor gear. The AEC addresses the following AVS program needs:

*Kayak and rafting equipment rentals that include whitewater kayaks, canoes, rafts, personal floatation devices (PFD's), helmets, paddles, wet suits, spray skirts, splash jackets, rescue throw bags and related white water accessories to meet the requirements of AVS classes. Sea kayaks and flat water canoes.

*Full range of backpacking and camping gear including internal frame back packs, tents, tarps, trekking poles, stoves, cooking gear, rain jacket/pants, winter shells, and insulation jackets.
*Mountain bikes: Fat tire mountain bikes, 29" full suspension and hardtail bikes, 27.5" hardtail bikes. Mountain bikes for youth rental programs. Mountain bike helmets, bike stands, mountain bike mechanic tool boxes, pumps and tubes to meet program needs.

*Rock climbing shoes, helmets, ropes, harnesses and anchor building gear to meet the requirements of AVS climbing classes. Rock climbing crash pads, shoes and helmets are available for rentals to college community.

*Winter sports that include cross country and tele mark skis, boots and poles for AVS classes. Winter mountaineering gear for AVS classes. Snow shoes rentals for college community.
-Competition Team apparel.
